

# Learning Technologist

## Job Description

### The Role

<b>Job title:</b>	Learning Technologist
<b>Department:</b>	Digital Innovation
<b>Responsible to:</b>	Director of Digital Innovation
<b>Location:</b>	Cirencester , Gloucestershire, GL76JS
<b>Salary:</b>	Grade 6: £28,759 to £33,965 per annum
<b>Term:</b>	Full-Time, 35 hours per week
<b>Relationships with:</b>	Staff, customers, suppliers, and contractors
<b>Flexible working:</b>	Primarily working on site, with some flexibility for working from home

### Purpose

To provide training and develop guidance for core IT and Learning technology packages, as well as providing pedagogical expertise to business systems trainers.

To support the Learning Technology team in providing technical and creative expertise, specialising in online and blended learning, particularly in transnational education. Support the Learning Technologists in designing and developing a wide range of digital resources to enhance teaching and learning and make the RAU the leading specialist University in land, agri-food and rural enterprise sectors.

### Key Responsibilities

Reports to the Director of Digital Innovation

- 1 Provide specialist, professional advice and expertise to support informed decision-making in the use of learning technologies to enhance online and face-to-face teaching.
- 2 Design and develop innovative, effective, and accessible digital resources to support teaching and learning, including interactive, multi-media, and video elements.
- 3 Support the Learning Technology team in working with academic and professional services

staff to enhance and modernise the digital teaching and learning environment for transnational, on-campus, distance and blended learning students.

- 4 Develop and maintain training resources in a range of accessible formats and media for a wide range of users.
- 5 Plan, design, and deliver innovative and engaging training and development activities for students and academic and professional services staff.
- 6 Provide support for the updating and testing of learning technology software including Moodle, Turnitin, Vevox, and Panopto.
- 7 Respond to technical and pedagogic queries raised by staff.
- 8 Provide support to transnational partners from onboarding and normal delivery to ensure that transnational students receive an equivalent and positive teaching and learning experience.
- 9 Support pedagogical initiatives that improve the student learning experience and collaboration between our transnational partners.
- 10 Work to ensure compliance with relevant legislative requirements including data protection, product licensing, copyright compliance, and accessibility.
- 11 Represent the department at internal committees and meetings.
- 12 Maintain high standards of service through effective verbal and written communication and a positive collaborative approach, supplying data and reports as required.
- 13 Where required, participate in the coordination of the timely delivery of digital content for both internal and external academic staff.
- 14 Work outside of standard working hours when required, adopt a flexible approach, and undertake other tasks as required.
- 15 Keep up to date with personal and professional development.

## General responsibilities:

The University is committed to equality of opportunity. All staff are required to comply with current legislation, University policies and good practice guidance.

All staff are required to act in a way that safeguards the health and wellbeing of children and vulnerable adults at all times. The post holder must be familiar with and adhere to appropriate safeguarding policies and guidance and participate in related mandatory/statutory training. Managers have a responsibility to ensure their team members understand their individual responsibilities with regard to safeguarding children and vulnerable adults.

All staff are required to participate in the University appraisal process and should ensure they are familiar with the process and plan time to prepare for their appraisal. Following the appraisal, staff are expected to undertake in any necessary learning and development and work towards the objectives that have been set.

The University expects staff to attend any training designated as mandatory and to undertake learning and development activities to support their role. Managers must facilitate learning and development within their teams.

It is a condition of employment that staff will not disclose any information obtained in the course of their duties other than to those entitled to receive it. The post holder must ensure that the confidentiality of personal data remains secure and that restricted information or highly restricted information to which they have access remains confidential during and after their employment at Royal Agricultural University. All staff must undergo appropriate data protection training as required. All absence from work must be reported in accordance with the University's absence procedures and recorded on iTrent.

The University acknowledges its responsibility to provide a safe, smoke free environment, to its employees, service users and visitors. It is the policy of the University not to allow smoking on University premises other than in specifically designated areas.

## University Values

As a University we have chosen five values to underpin our learning community. These are the values which we will all work by and for which we want the RAU to be known. We are:

- Collaborative - we believe in the power of working together. We are stronger as a community of practice - inspiring each other, identifying shared goals, and providing reciprocal support leads to greater success.
- Open-Minded - we are receptive to new ideas and we value the diversity of experiences and skills. We are committed to listening to everyone across the RAU community.
- Resourceful - we adopt creative approaches to achieve our goals while setting higher standards, promoting professionalism and sustainability.
- Responsible - individually and collectively we take accountability for our actions working with integrity to achieve the highest ethical standards.
- Inclusive - we acknowledge the fundamental value and dignity of all individuals and are committed to maintaining an environment that seeks to eliminate all forms of discrimination and respects diverse traditions, heritages, and experiences.
