

Audit and Risk Committee Terms of Reference

Introduction

The Committee of University Chairs prepared a Higher Education Audit Committees Code of Conduct in May 2020. It stipulates that it is the role of the Audit Committee to “advise and assist the Governing Body in respect of the entire assurance and control environment of the HE provider”. It cannot confine itself to financial matters, and its role extends to all areas of institutional activity. While responsibility for devising, developing and maintaining control systems lies with the Executive, the Audit and Risk Committee (“Committee”) provides independent assurance to the governing body.

In the context of the University, we use the term 'governor' to also mean the responsibilities and accountabilities as directors and trustees of the company and charity respectively.

Membership

The Committee shall comprise at least three Independent Governors. Members of the Committee shall be appointed by the Governing Council, on the recommendation of the Nominations Committee in consultation with the Chair of the Audit and Risk Committee.

All members of the Committee shall be Independent Governors, at least one of whom shall have recent and relevant experience and competence in financial accounting or auditing.

The Chair of the Governing Council shall not be a member of the Committee. Members of the Committee should not also be members of the Finance and Estates Committee (or its equivalent).

The Governing Council shall appoint the Committee Chair upon the recommendation of the Nominations Committee. In the absence of the Committee Chair and / or an appointed deputy at a committee meeting, the remaining members present shall elect one of themselves to chair the meeting.

All appointments and re-appointments are subject to approval of Nominations Committee, with limits of service in accordance with normal Council time limits. Independent Governors may serve for up to three years, and are eligible for re-appointment for up to two further three-year terms (maximum nine years). The Committee may, if it considers it necessary or desirable, co-opt members with particular expertise provided they have been suitably approved by the Nominations Committee. Co-optees may serve for a maximum of five years consistent with the same time limits applied to Co-optees of Governing Council.

An appropriate induction programme should be provided for all new members of the Committee. Depending on skills additional development support may need to be provided for some or all members. A regular review of the effectiveness of the Committee should be undertaken (at least every three years) with recommendations arising from the review to be implemented.

In attendance

Only members of the Committee have the right to attend committee meetings. However, the Vice-Chancellor, Finance Director, internal audit and external audit lead partners will be invited to attend meetings of the Committee on a regular basis and other non-members may be invited to attend all or part of any meeting as and when appropriate and necessary.

At least once a year the Committee should meet with the internal and external auditors without any officers present.

Secretariat support will be provided by the Governance Office. The Committee will receive information and papers in a timely manner to enable full and proper consideration to be given to issues

Quorum

The quorum necessary for the transaction of business shall be two, both of whom shall be Independent Governors.

The Committee has the right, whenever it is satisfied that this is appropriate, to go into confidential session and exclude any or all other participants and observers, other than the Audit Committee Secretary.

Frequency of meetings

The Committee shall meet at least three times a year at appropriate intervals in the financial reporting and audit cycle and otherwise as required

Outside of the formal meeting programme, the Committee Chair, and to a lesser extent, the other Committee members, will maintain a dialogue with key individuals involved in the company's governance, including the Governing Council Chair, the Chairs of Finance and Remuneration Committees, the Vice-Chancellor, the Finance Director, the external audit lead partner and the head of internal audit.
