

Company: Haurua Pastoral Ltd

Email: gilesbristol@gmail.com

Telephone: +64272108809

Deadline: 31/05/2025

Start date: June/July

The advert is the following...

Are fed up with the UK weather and want to experience something a little bit different?

Are looking to gain experience in the dairy industry whilst seeing what the other side of the world has to offer?

Do you want to travel and see more of the world whilst earning some money on the way?

Do you want to experience the kiwi culture of work hard play hard?

Well this could be the job for you...

We have two positions available for the upcoming season in North Island, New Zealand. Haurua Pastoral is located 20 minutes south east of Te Awamutu, 40 mins from Hamilton and 2 hours from Auckland.

The dairy platform is 276 Hectares of beautiful rolling countryside with a 50ha runoff block.

We peak milk 820 spring calving cows and milk through a 44 -aside herringbone parlour. Grass is our main feed producing highly efficient low cost milk.

We run a system 2 with strategic use of supplements and majority of cows are wintered off-farm.

With a well-rostered milking rota. We use a mixture of twice-a-day and once-a-day milking throughout the season.

You will be part of a 5 person team that is driven to achieve on farm targets, work safely, learn new skills and have some fun along the way.

There will be a variety of tasks around the management of the herd and farm which include:-

- Milking
- Herd records
- Calf rearing
- Tractor work
- Weed control
- Effluent management
- Fencing.

We can provide you:

- A great learning environment, get involved in all aspects of the business.
- Access to discussion groups and internal/external training to grow your skills in pasture based milk production.
- 3 bed house on farm with heat pump and log fire.
- 11 and 3 roster (with 6 and 1 during calving)
- Close to major towns for social activities, Rugby, Football, Martial Arts, Netball and Young Farmers.
- Further job opportunities, we are part of a wider group of farms so there would be possible career progression.

The season starts 1st June and calving kicks off on the 1st of August 2025. So don't miss the opportunity, it could be the best experience of your life!
